December 2, 2008

Dear Friends and Family,

Since 2006, *The Score Barbershop* has hosted a Toy Give Away for children living in our local area, supported by local businesses. This year's 3rd Annual Toy Give Away is soon approaching, December 20, 2008, 6:30 PM until 8:30 PM.

In 2006 and 2007 we were able to provide toys, coupons, and school supplies for 80 young boys and girls. In addition to providing gifts, our barbers donated free hair cuts to all young boys coming to The Score Barbershop for the first time. Each year has been a success, at bringing smiles and laughter to children's and parents faces as they receive early holiday cheer. In 2008, we hope to reach more children between the ages of newborn to 13, to come and enjoy music, food, and receive a gift from people that care.

In these rough economic times, we are asking you, to take part in this 3rd annual event by making a simple donation of toys, coupons, gift cards, or school supplies. If you choose to make a monetary donation, your donation will be used to purchase toys, school supplies, or food for the event – all purchased from local business to reinvest in our own community. To arrange for pick up of your generous donation, please contact **The Score Barbershop, 317-291-7955**. To drop off, please deliver to **The Score Barbershop 7480 N. Michigan Road Suite A., by December 19th**. To send a monetary donation, please make check or money orders payable to: **The Score Barbershop**, and mail to **7480 N. Michigan Road Ste A, Indianapolis, IN 46268**.

As an added bonus to our friends and family who donate for this event, we will run your name on a patron list in a slideshow from December 20 through January 4, 2009.

The Score Barbershop, in conjunction *Panache' Day Spa, Do It All Carpet Cleaning & Upholstery, and White's Construction & Management* thanks you for your time and generosity.

Sincerely,

Le Anne S. Joshua
Director of Operations
